PEDCO Adds Expertise

CINCINNATI, OH — PEDCO E&A Services, Inc. (www.pedcoea.com), a full-service engineering and architecture firm, announced today that the firm has added 5 key members to its professional staff.

“The addition of these staff members to PEDCO demonstrates our commitment to our clients. It allows us to broaden our expertise and experience to service their ever-evolving needs. These are exciting times at PEDCO,” said William Giesler, President of PEDCO.

Richard Echler Jr. joins PEDCO as a CAD designer. In this role, Echler will assist in the creation of construction documents meeting architectural specifications for a variety of clients and industries. Prior to joining PEDCO, Echler created 3D animations and designs for Federated Department Stores to effectively communication space design and concepts. Echler attended Southern Ohio College.

Edward Groh has over 20 years of experience in architecture with a diverse base of project types and scales, including commercial, industrial, recreational, health care and residential. Groh has many responsibilities at PEDCO, including client relations, project management, supervision of designers and drafters, among others. Prior to joining PEDCO, Groh had his own business working as a design consultant. Groh attended Bowling Green State University, B.S. in Architectural Design Technology.

John H. Hall III joins PEDCO as a structural engineer. Prior to joining PEDCO, Hall contributed to the detail and design of elements for the Staten Island Rail Road Reactivation. Hall attended Lehigh University and Clarkson University.

Jason Meyer joins PEDCO as a Structural Designer. Prior to joining PEDCO, Meyer developed landscape, lighting, and irrigation plans for a variety of clients. Meyer attended Cincinnati State and received an Associates Degree in Civil Engineering. He will be starting in the fall to pursue an electrical engineering degree at the University of Cincinnati.

Lawrence Wessel has joined PEDCO as a project manager for the electrical engineering group. Wessel will use his 30 years of facilities and electrical engineering experience to meet the growing needs of an ever changing market place. In his role at PEDCO, Wessel is responsible leading the commissioning and construction team. Prior to joining PEDCO, Wessel worked as a facility asset manager for Cincinnati Bell Telephone. Wessel attended the University of Cincinnati and Cincinnati State.

About PEDCO E&A Services, Inc.
