PEDCO Supports Cincinnati Children's 2011 Celestial Ball

PEDCO was a proud supporter of this year's 2011 Cincinnati Children's Celestial Ball, which was held on Saturday, May 21, 2011 at the Duke Energy Convention Center. As one of its many sponsors, PEDCO helped Cincinnati Children's in its efforts to raise more than \$425,000 for the medical center.

In its seventh year, The Celestial Ball is a premier event where more than 600 distinguished members of the Greater Cincinnati community celebrated an enjoyable evening in support of the children and families cared for by the medical center. Proceeds benefit the Cincinnati Children's Change the Outcome 2015 Campaign, which supports clinical and research initiatives that have the greatest potential to quickly impact pediatric medicine for children in Cincinnati and around the world.

PEDCO has partnered with Cincinnati Children's to provide mechanical, electrical and plumbing design services for a variety of its facilities across the Greater Cincinnati area including one of their newest facilities – a 230,000 SF state-of-the-art

outpatient pediatric care facility in Liberty Township, OH. In addition to its Celestial Ball sponsorship, PEDCO is also a proud sponsor of Cincinnati Children's Walks For Kids, scheduled for Saturday, October 15, 2011 at Coney Island.
