PEDCO Project Manager Elected Treasurer for Building Commissioning Association's Central Region Board of Directors

Lawrence Wessel, P.E, QCxP, LEED AP, a Project Manager at PEDCO in Sharonville, has been elected as Treasurer to the Building Commissioning Association's (BCA) Central Region 2012 Board of Directors. In this leadership role, Wessel will be responsible for managing the organization's finances, developing the annual budget, implementing financial policies and procedures, and providing fiscal oversight for the chapter. As a member of the Central Region's Executive Committee, Wessel will be attending the 2012 BCA Leadership Conference in early February. The Leadership Conference is attended by the International Board of Directors, Committee Chairs, Chapter Executive Committees and Association Staff. The conference is held each year to provide a forum for chapter leaders to exchange best practices and plan for their upcoming year.

The BCA is an international non-profit organization that serves as the recognized authority and resource on commissioning. The BCA membership is made up of professionals from all across the commercial buildings industry who maintain the highest standards and practices for the commissioning process. The BCA develops technical resources, forms collaborative relationships with related organizations within the building

community, holds an annual conference on the latest innovations in the industry, and manages a certification program that sets the highest industry standards for credentialed commissioning professionals.

“I am honored to be a part of the Central Region’s Executive Leadership team. We are excited to offer our membership more relevant programming, expanded networking, and development opportunities for the upcoming 2012 year,” commented Larry Wessel, Director of Commissioning Services at PEDCO. “I have a passion for commissioning and I look forward to bringing this same passion and commitment to my leadership role on the Central Region’s Board of Directors.” As one of its service offerings, PEDCO performs various levels of commissioning services for a wide range of clients and markets including data centers, healthcare, corporate, and others. PEDCO offers new construction commissioning, re-commissioning, retro-commissioning, and LEED commissioning.
