**PEDCO Professional Earns
Professional Engineer License**

CINCINNATI, OH — PEDCO E&A Services, Inc. (www.pedcoea.com), a full-service engineering and architecture firm, announced today that Jeffrey Balster has passed the “Principles and Practice” Examination earning his Professional Engineering License.

Mr. Balster graduated in 2004 from the University of Cincinnati with a Bachelors of Science in Electrical Engineering. Since 2004 he has been involved in the design of electrical facilities for industrial, commercial, and institutional buildings with primary responsibilities for lighting, power distribution, power system studies, communication and data systems and other auxiliary systems.

About PEDCO E&A Services, Inc.

PEDCO E&A Services, Inc. was founded in 1981. With offices located in Cincinnati, Ohio and Fort Wayne, Indiana, PEDCO serves a variety of premier Midwest clients in industries ranging from Corporate, Industrial, and Health Care to Education, Working Environments, and Facility Services. PEDCO’s team includes 15 LEED™ accredited professionals and designers of high performance green buildings. Projects range in size from small consulting engagements to comprehensive design services on significant projects.
